

SAFL RELEASE AND INDEMNIFICATION AGREEMENT

Last Name		First Name	
Town/Program		Date	

I, parent/guardian of the Player, a minor, have requested that I be permitted to participate in the Suburban Amateur Football League, Inc. and its member youth football program (collectively "SAFL"). As consideration for the Player being permitted to participate in the SAFL, and for other good and valuable consideration, the receipt of which is acknowledged; I do hereby for the Player and for myself, our heirs, executors, administrators and assigns; remise, release, absolve, acquit and forever discharge the SAFL; the individual municipalities, recreation departments and boards and the owners, operators or lessees of any facility where the SAFL participates and their agents, servants, coaches, officials, board members, member teams, coaches and players, volunteers, officers, employees, directors, representatives, attorneys and anybody acting or purporting to act on their collective or individual behalf (hereinafter referred to as the "Releasees") from any and all manner of actions; causes of actions, suits, contracts, warranties, promises, omissions, damages, liabilities and all other claims and demands whatsoever in Law and Equity of any kind or nature, which the Player and/or I now have, ever had since the beginning of the world, or ever will have; to the fullest extent permissible by law.

I hereby acknowledge on behalf of myself and the Player that this document is executed, freely and without compulsion and/or duress, as consideration for the privilege to participate in the SAFL. I further acknowledge that without this Agreement, the Player would be forbidden by the SAFL from participating.

The Player and I hereby voluntarily assume any and all risks, known or unknown, associated with the activities of playing and practicing football in the SAFL, on my own behalf, and on behalf of the Player, shall, to the fullest extent permissible by law; defend, indemnify and hold harmless the Releasees from any and all loss, causes of actions and costs associated with the participation by the Player in the SAFL and against any and all losses, causes of action and costs associated therewith, including reasonable attorney's fees arising out of, related to or in response to any acts or omissions of the Releasees.

I, on behalf of myself and the Player acknowledge that participation in the SAFL is voluntary, and that in my sole and exclusive discretion, the Player and/or I may terminate or suspend the Player's participation in the SAFL for any reason. I acknowledge that the Commissioner has the authority to take any other necessary act relative to the Players participation in the SAFL that in the sole and exclusive discretion of the Commissioner deems to be in the best interests of the SAFL. Similarly, I acknowledge that the SAFL, or any of them individually, have the right at any time, at the Releasees sole and exclusive discretion, to terminate this agreement without notice and without right to hearing or explanation, and with no right of appeal to any entity or Court. In the event of a termination, the Player is immediately no longer eligible for participation in the SAFL until otherwise eligible.

On behalf of the Player and myself personally, I acknowledge and agree that the SAFL and its member teams, coaches, sponsors and parents are charitable organizations, and are entitled to the full protections of the law as charitable organizations and warrant and acknowledge that the Releasees, including but not limited to the SAFL board members, coaches, parents, officials and volunteers, are entitled to charitable immunity pursuant to G. L. c. 231, Sec. 85K, as well as the full protections of G. L. c. 231, Sec. 85V. On my behalf and on behalf of the Player, it is also specifically acknowledged and understood that the Releasees, and each of them individually, are at all times acting as volunteers, as that term is defined and understood in 42 U.S.C. 14501, et seq, the "Federal Volunteer Protection Act of 1997"; and that the Releasees in all and every respect are entitled to the fullest protections of the Federal Volunteer Protection Act of 1997 as volunteers; and/or any other statute or common law that might provide immunity or protection from civil liability to the Releasees.

No promise or inducement which is not herein expressed has been made to me and/or the Player in executing this document, have not relied upon any statement or representation made by any person, entity or individual hereby released. I further state that I have carefully read the foregoing and know the contents thereof and sign it as my own free act and deed.

To the extent that any provision of this Agreement is unenforceable, I agree that such term shall be stricken and the balance and remaining portions of this document shall remain in full force and effect.
